Riansares 4R — additional structured data

Usage rule

These amounts are not Riansares 4R rates or binding offers. They are dated references from market guides and a technical work item. Before quoting, review measurements, condition, access, quality levels, waste, licences, VAT, margin and risks.

Price table

Non-binding example quotations

B-001 — Complete renovation of an 80 m2 home

- **Low range:** 32,000 EUR
- **Base:** 42,000 EUR
- **High range:** 52,000 EUR
- **Documentary basis:** P-001, SRC-HAB-VIVIENDA
- **Assumptions:** mid-range quality, no structural work, moderate layout changes, normal access
- **Exclusions:** VAT, technical design where required, fees, asbestos, structural damage
- **Calculation:** 80 m2 multiplied by the 400–650 EUR/m2 range; the baseline approximates the published example starting at 40.000 EUR.

B-002 — 120 m2 old house without structural strengthening

- **Low range:** 42,000 EUR
- **Base:** 50,000 EUR
- **High range:** 54,000 EUR
- **Documentary basis:** P-002, SRC-HAB-ANTIGUA
- **Assumptions:** no structural work, no extensive layout changes, mid-range quality
- **Exclusions:** complete roof, foundations, structural damp, technical design and fees
- **Calculation:** 120 m2 at 350–450 EUR/m2. The source publishes an itemised 41.900 EUR example.

B-003 — 120 m2 old house with structural work and layout changes

- **Low range:** 64,000 EUR
- **Base:** 72,000 EUR
- **High range:** 100,000 EUR
- **Documentary basis:** P-003, P-004, SRC-HAB-ANTIGUA
- **Assumptions:** localised strengthening, layout changes, complete services
- **Exclusions:** undetected major defects, complete roof, specialist foundations
- **Calculation:** Published references reach 533–600 EUR/m2 and the guide itself states that extensive work may reach 100.000 EUR.

B-004 — 7 m2 kitchen, mid-range quality

- **Low range:** 5,600 EUR
- **Base:** 6,500 EUR
- **High range:** 9,000 EUR

- **Documentary basis:** P-006
- **Assumptions:** basic cabinets, no load-bearing wall, nearby services
- **Exclusions:** premium appliances, premium worktop, opening into the living room
- **Calculation:** Range taken directly from the consulted price guide.

B-005 — 5 m2 bathroom, mid-range quality

- **Low range:** 4,250 EUR
- **Base:** 5,200 EUR
- **High range:** 7,500 EUR
- **Documentary basis:** P-012, P-013
- **Assumptions:** retained layout, standard waterproofing, mid-range sanitary fittings
- **Exclusions:** stack replacement, floor-structure damage, luxury furniture
- **Calculation:** The baseline extends the published table to include common contingencies that vary between projects.

B-006 — Laminate flooring over 70 m2

- **Low range:** 1,750 EUR
- **Base:** 2,100 EUR
- **High range:** 4,550 EUR
- **Documentary basis:** P-014, P-015
- **Assumptions:** reasonably flat substrate, mid-range quality
- **Exclusions:** removal, extensive levelling, special skirting, door trimming
- **Calculation:** 70 m2 multiplied by 25–30 EUR/m2; high end based on the general range of 65 EUR/m2.

B-007 — White painting of a 100 m2 flat

- **Low range:** 1,000 EUR
- **Base:** 1,300 EUR
- **High range:** 2,800 EUR
- **Documentary basis:** P-016, P-017
- **Assumptions:** walls in reasonable condition, standard protection
- **Exclusions:** active damp, smoothing all walls throughout the home, decorative painting
- **Calculation:** The baseline uses the 1.300 EUR example; the high end allows additional preparation and repair.

B-008 — Removal of 30 m2 of wall tiling

- **Low range:** 267 EUR
- **Base:** 650 EUR
- **High range:** 1,200 EUR
- **Documentary basis:** P-018
- **Assumptions:** manual removal, normal access
- **Exclusions:** skip and fees unless specified, complex protection, removal of services
- **Calculation:** The minimum is 30 × 8,90 EUR/m2 according to the technical work item; baseline and high figures add logistics, protection and actual site management.

Caution criteria

- A price per m² supports comparison, not quotations without measurements.
- The CYPE work item describes a specific configuration and does not automatically include all business costs.
- Market guides aggregate heterogeneous projects.
- References must retain their date and source.
- VAT and licences are verified for each transaction.
